What does it mean to be a Title I School?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs. These dollars are used for...
 - Identifying students experiencing academic difficulties and providing timely assistance to meet the State's challenging content standards.
 - Purchasing supplemental staff/programs/materials/supplies.
 - Conducting parent and family engagement meetings, trainings, and activities.
- Being a Title I school also means greater parent and family involvement and knowing the rights under ESSA.

What is the 1% set-aside and how are parents involved?

- Any LEA with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of the overall Title I allocation for parent and family engagement.
- Of that 1%, 10% may be reserved at the LEA for system-wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the LEA. Each Title I school receives its portion of the 90% parental engagement allocation to implement school-level parent and family engagement with clear expectations and objectives for meaningful involvement.
- You, as Title I parents, have the right to be involved in how this money is spent.

What is the LEA Title I Plan?
